LUXURY PERFORMANCE
CENTER CONSOLES

Each **One** Custom Built
to **Fit Your Boating Lifestyle**

DEEP IMPACT CUSTOM BOATS ARE CUSTOM-BUILT CENTER CONSOLE BOATS WITH A FIT AND FINISH THAT IS SECOND TO NONE.

Deep Impact offers the most unique center console boat on the market. We are committed to providing the highest level of quality with dedication to perfection in the fit and finish of each custom center console.

Let us build a Deep Impact Custom Boat for you.

36'9" DEEP IMPACT SPORT

The 369 Deep Impact takes the pleasure of boating to the extreme. The 369 Sport is a compact version of our Deluxe 399 Sport. Keep an eye out for our newly designed oversized hard top that will be available to order at the Fort Lauderdale International Boat Show. The step bottom is fuel efficient, as well as soft riding in all conditions, and of course boasts the width that Deep Impact Boats are known for, which makes it one of the largest 36's in its class. Along with the true Deep Impact design and finish that we all have grown to know and love.

There's more to unmatched styling.

The 399 Sport offers the most interior cockpit space of anything in the size range. Add in performance and a soft ride, you will see why the newest 399 has no equal.

399 DEEP IMPACT CABIN

The 399 Cabin is the best combination of an open center console that features a forward cabin for comfortable overnighting. A full V berth, hanging locker, galley and a bonus aft sleeping area come together in air-conditioned comfort. This boat also features a separate head under the console. What's more is that all of this comes packaged in the look and ride of the new Deep Impact 399, a true offshore thoroughbred. With so many possibilities available, we can build a boat perfectly suited to you.
